

REMARKS

The amendment to the specification has been made to add sequence identifiers in order to comply with the U.S. Patent Office requirements for patent applications containing nucleotide sequence and amino acid sequence disclosures. It is respectfully submitted that no new matter is added by this amendment.

If there are any fees due in connection with the filing of this amendment, please charge the fees to our Deposit Account No. 50-310. If a fee is required for an extension of time under 37 C.F.R. 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.
